Introducing

bidproc
Partner Program

bidproc, the successful eTendering & eAuctions platform, developed by Oman-based businessgateways (www.businessgateways.com), offers Procurement Teams a powerful & secure way to save and gain on every Procurement & Disposal event conducted, in a transparent & secure environment.

Platform Highlights

Procurement / Disposal Teams can log onto bidproc.com, and begin conducting secure & transparent Reverse and Forward eAuctions.	In addition to eAuctions, bidproc has an inbuilt eTendering module capable of delivering a complete eTendering event.
bidproc eTendering and eAuction events work seamlessly and provide detailed Reports & Audit Trails conforming to necessary compliances.	bidproc is the apt tool for SMEs & Large Companies to begin saving across Procurement & Disposal Events.

bidproc invites Partners from around the world, to join hands with bidproc and serve their clients to save on procurement spend & gain on disposal events.

What is the role of a bidproc Partner?

Promote bidproc Events (eTendering & eAuction) to their existing list of reputed companies.	Pre-Purchase bidproc events from bidproc as per agreed yearly offtake.	Arrange demonstrations & sell bidproc Events to target clients.	bidproc Partner is responsible for generating bidproc business in potential geographies

Who can apply as a bidproc Partner?

Interested companies, with a keen motive to expand their current business by serving & delivering value to their existing clientele.

What are the business returns for a bidproc Partner?

bidproc assures considerable returns on investment and is a long-term profitable business opportunity.
